If you turn 70½ in 2011, you may make a withdrawal by Dec. 31, 2011, or defer it until April 1, 2012. In either case, Edward Jones must report your RMD information to the IRS. Contact your Edward Jones financial advisor for more information.

Your Estimated Interest and Dividends

The following is an estimate of the interest and dividends you can expect to earn on your investments in the next 12 months but it is only an estimate and cannot be guaranteed by Edward Jones or the issuers of the securities. The estimate is known as the Estimated Annual Income or EAI. It is based on past interest and dividend payments made by the securities held in your account. It is also based on statements made by the issuers of those securities. The estimates project possible future interest and dividend payments based on the number of bonds or shares held in your account at the time the estimate was done. Your actual investment income may be higher or lower than the estimated amounts. Estimates for certain types of securities that have a return of principal or capital gain may be overstated. Income being reinvested is indicated with '*'. Income cannot be estimated for the securities indicated by '**'. It cannot be estimated because the annual payment amount or frequency is not available at this time.

Our Estimated Interest and Dividends

The following is an estimate of the interest and dividends you can expect to earn on your investments in the next 12 months but it is only an estimate and cannot be guaranteed by Edward Jones or the issuers of the securities. The estimate is known as the Estimated Annual Income or EAI. It is based on past interest and dividend payments made by the securities held in your account. It is also based on statements made by the issuers of those securities. The estimates project possible future interest and dividend payments based on the number of bonds or shares held in your account at the time the estimate was done. Your actual investment income may be higher or lower than the estimated amounts. Estimates for certain types of securities that have a return of principal or capital gain may be overstated. Income being invested is indicated with ' * * '. Income cannot be estimated for the securities indicated by ' * * * '. It cannot be estimated because the annual payment amount or frequency is not available at this time.

Of your total account, your contributions are taxed or tax-deferred as follows:

$$\begin{array}{rcl}
 \text{Total Taxed Contributions} & & \$ 218.31 \\
 \text{Total Tax-Deferred Contributions} & & \$ 10,346.33 \\
 \text{Total Interest (Tax-Deferred)} & & \$ 28,443.38
 \end{array}$$

A Separation Benefit is a lump-sum payment of your account balance plus interest. As an inactive member, your account balance and interest are available to you now. However, because you are vested to a lifetime retirement benefit, we suggest you consult with PERSI before withdrawing your funds as a Separation Benefit is paid in lieu of a retirement benefit and cancels any credited service. Your account balance and the interest you earn do not affect the amount of your retirement benefit. When you retire, you receive the retirement benefit amount calculated in the box above, not the account amount shown in this box. Generally, the total of your lifetime retirement benefit will far exceed your account balance.

Your Retirement Income Outlook™

In retirement, we estimate you'll be able to withdraw about **\$303 a month** from your employer's qualified defined contribution (DC) plan(s) at Vanguard.* This estimate is based on your average monthly contributions of **\$747** at Vanguard over the previous 12 months.

Need more? To have an estimated **\$389 a month**, your monthly DC contributions should average at least **\$1,120 a month** until retirement. For approximately **\$517 a month**, your monthly contributions should average **\$1,680 a month** until you retire.

If you've recently joined the plan or changed your contribution rate, your average monthly contributions will change gradually. Also, check your plan rules for contribution limits and restrictions.

How to take action: To automatically increase your savings or further personalize this retirement income estimate, visit us online or call Vanguard at 800-523-1188. (Recent changes may not be reflected on this statement.)

Estimated Monthly Retirement Income*

*This calculation does not include your One Step increases and may underestimate your projections. It is based on your current balances in qualified defined contribution plans administered by Vanguard, all contributions to these plans in the last 12 months, an annual after-inflation investment return of 4%, and withdrawal of 4% of your balance at age 65. Taxes may be due on withdrawals. The estimate is for illustrative purposes and not a guarantee.†
